NOTICE

The Court Reporting Committee is pleased to provide you with the latest developments regarding the litigation over New Mt. Carmel property.

This Committee has taken great pains, with some expense involved, to furnish Second Tithers the enclosed information so that they may act intelligently in discharging their moral obligation to bring justice out of the present chaos.

The enclosed excerpts from the Minutes of the Davidian Seventh-day Adventist Association shows to what lengths the former Davidian leadership, under the direction of Mrs. Florence (Houteff) Eakin, were willing to go in order to obtain the second-tithe monies for themselves.

You will notice throughout the Minutes of the Davidian Council that they recognized the illegality of their functioning after Brother Houteff's death. These Minutes clearly and finally prove that the Wage Adjustment of 1962, taken from the Second Tithe Fund, is completely illegal, along with everything else that was done after February 5, 1955.

You will also notice in Column 2 of the List of Individuals Wage Adjustments' made from 'Second Tithe Fund' how little the refund will amount to, based on \$1 out of every \$7 contributed. In comparison with the expense of care provided by the Second Tithe Fund for the worthy poor, etc., the 1/7th refund is a disgrace to the principle underlying the Second Tithe Fund's provisions. The ex-Council would now have the elderly trade the provisions of the Fund for a mere pittance that would only mock the overall expense involved in caring for the aged today!

It is our conviction that you, along with the many other Davidians who have not apostatized from the truth, will welcome this opportunity to let your voice be heard against the wickedness in high places that the enclosed Minutes reveal.

Enclosed is a Resolution for your signature. It will record your disapproval of that which the former Mrs. Houteff carried out: (1) denunciation and renunciation of Ellen G. White and V. T. Houteff; (2) burning of their literature; (3) theft of the second tithe for the care of the worthy poor and elderly.

We know you will welcome this LAST opportunity to speak out against those who have blasphemed God and His Truth.

Tell us what you think should be done to rectify the injustices of a few against the Davidian people.

Voluntary contributions are welcomed from those who wish to share the expense of printing the enclosed Minutes for the information of all second tithers. Mail offerings to the Court Reporting Committee, P.O. Box 121, Waco, Texas 76703.

Upon receipt of the enclosed Resolution, we will send you the other, heretofore, "confidential" material regarding the present litigation in the Court.

SEND YOUR "RESOLUTION - WAIVER-RETAINER" TO THE COURT REPORTING COMMITTEE WHERE IT WILL BE HELD BY A NEUTRAL GROUP FOR ACTION IN BRINGING JUSTICE OUT OF THE PRESENT DAVIDIAN DISORDER.

Yours for Justice,

THE COURT REPORTING COMMITTEE
